HEAD PROTECTION

Degil Safety Products head protection program features **CSA Type 1 & Type 2 and ANSI Type 1, Class E** hard hats in a variety of colours. The development of the **Wave™** and **HeadGuard™** hard hats and accessories has revolutionized head protection. Providing workers with a new, comfortable and stylish product that offers greater compliance in the workplace.

Our **Easy-Lock™**, and **P.R.P.L.™** ratchet adjustment suspension systems (patents pending) utilize the natural shape of the head to ensure a firm, yet comfortable fitting for any one required to wear a safety hard hat on the job site.

STANDARD COMPLIANCE

CSA Z94.1-05 TYPE 2 CLASS E

Complete with **foam liner** provides crown and lateral impact & penetration protection with dielectric protection up to 20kV.

CSA Z94.1-05 TYPE 1 CLASS E

Provides crown impact & penetration force transmission protection and dielectric protection up to 20kV.

CUSTOM IMPRINTING

Promote your company's name and image with our custom imprinting program. We use High Definition **Pad Printing** procedures with quality inks to adhere to any part of the hard hat shell. Offers long lasting results you will be proud to wear.
