

GOJO® CX™ and CXi™

The **only** counter mount soap system you'll ever need.

Touch-free or manual, the choice is yours.

GOJO CXi Touch Free System

The world's first reliable, touch-free, counter mounted foam soap system.

It's an increasingly touch-free world, especially in the restroom. If touchless restrooms are a part of your strategy, you'll love the GOJO CXi Touch Free Counter Mount System. Users simply place their hand beneath the system and get a rich, luxurious lather. Three year guarantee.

GOJO CX Manual System

Manual counter mount foam soap system with a lifetime guarantee.

If manual systems meet your needs, you'll be thrilled with the GOJO CX Counter Mount System. The same luxurious lather as the CXi Touch Free System, only in a manual system. Lifetime guarantee.

Advanced Design

Eliminates messy drips

- Luxurious foam soap
- High capacity soap refill means fewer change-outs
- Guaranteed performance
- Easy, SANITARY SEALED™ refill load system

PURELL®

The brand people know and trust.

GOJO, inventors of PURELL Instant Hand Sanitizer, is the leading provider of well being solutions for hygiene and healthy skin.

Germes are everywhere, soap and water aren't. In addition to the delivery systems highlighted in this brochure, PURELL is also offered in a variety of bottles. Progressive formulations are also featured here to highlight the latest products available to help you prevent the spread of germs.

*This product meets the Green Seal™ and EcoLogo™ environmental standard for institutional hand cleaners based on its reduced human and aquatic toxicity and reduced smog production potential. Green Seal is an independent, non-profit organization that strives to achieve a healthier and cleaner environment by identifying and promoting products and services that cause less toxic pollution and waste, conserve resources and habitats, and minimize global warming and ozone depletion. Green Seal has no financial interest in the products that it certifies or recommends nor in any manufacturer or company. Green Seal's evaluations are based on state-of-the-art science and information using internationally recognized methods and procedures. Thus, Green Seal provides credible, objective, and unbiased information whose only purpose is to direct the purchaser to environmentally responsible products and services.

The EcoLogo Program, North America's largest and premiere ecolabelling program, provides a market incentive to manufacturers and suppliers of environmentally preferable products and services, and thereby helps consumers identify products and services that are less harmful to the environment. Established in 1988, the ECP was the second national ecolabelling program in the world.

Solutions for a healthier workplace

TFX™ Touch Free Dispensing Systems

Touch-free,
Trouble-free
Hand Hygiene

When people want to get their hands clean, the last thing they need is to touch a dirty dispenser. With the GOJO® and PURELL® TFX Touch Free Dispensing System, there's nothing to touch — just place hands below.

The future of hand hygiene is touch-free.
